CASTELL ABERTEIFI
CARDIGAN CASTLE

Dechreuwyd cloddio am greiriau archaeolegol yn Aberteifi yn 2012. Ers hynny, mae pob math o bethau wedi cael eu darganfod, gan gynnwys crochenwaith fel y pibellau clai yma o oes Fictoria.

Archaeological digs started at Cardigan in 2012. Since then, all sorts of things have been found, including pottery like these Victorian clay pipes.

Lliwiwch y pibellau, wedyn dyluniwch eich crochenwaith eich hun yn y blwch.
Add colour to the pipes, then design your own pottery in the box provided.
